WINZER
SYSTEM

The Winzer Solution.....

Winzer is a leading distributor of Maintenance, Repair and Operations products. Having served the Industrial, Manufacturing and Automotive industries since 1978, we firmly believe that by combining the right products, state-of-the-art logistics and unmatched industry expertise, Winzer is able to adapt to the specific needs of your business and create **Unconditional Value**.

Winzer customers define value in their own terms. Winzer's commitment is to gain a complete understanding of those terms and translate that into a totally integrated and successful MRO solution. Simply put...the Winzer solution is an extension of your business.

Delivering on Productivity & Efficiency

The cornerstone of Winzer is our commitment to service. Our locally owned franchise sales force ensures the ultimate customer satisfaction by providing the hands-on service your MRO products require. We measure our success by the success of our customers, making us your partner in business rather than simply another supplier.

Quality

We stand behind the products we sell and offer the industry's highest quality fasteners and MRO products from names you know and trust. Combined with an industry-leading product satisfaction guarantee, you can rest assured that a Winzer solution has your best interests in mind.

Product Variety

Our extensive product range allows for simple, consolidated shipments and billing. With access to over a million products, Winzer truly is your single source MRO supplier and solution.

Customized Solutions

We understand that one size does not fit all. With a Winzer solution, our franchisees are able to develop an MRO solution that is as unique as your business. From on-site bin-stock programs to cost recovery technology solutions, our no-nonsense approach to business will tailor fit a solution that increases your company's productivity while eliminating costly stock-outs and down-time.
